

## Remarks

### Status of the Claims

Claims 1-12 are cancelled. Claims 13-25 are added. Claims 13-25 are pending.

### Amendments to the Specification

In summary, the title and several headings in the specification have been amended, and several headings and section paragraphs have been added. Support for the substitute specification is found throughout the originally-filed specification. A substitute, separately-numbered sheet (page 13) containing the Abstract is attached hereto. No new matter is added.

### New Claims

Claims 1-12 are cancelled and replaced with new Claims 13-25 to correct grammatical and syntactical errors and to place the claims in U.S. format. The subject matter and scope of new Claims 13-25 corresponds generally to cancelled Claims 1-12. No new matter is added.

## Conclusion

The amendments to the specification and claims made herein are proper and entry is respectfully requested. Early examination of the substitute specification is respectfully requested.

Respectfully submitted,

**Doris BELL, et al.**
